3 Powers Reply To Russia

Three-Hour Talk With Molotov On Berlin Crisis

MOSCOW, Aug. 6.—(AP)—Britain, the United States and France gave their reply to the Soviet Union on the Berlin and other questions in a three-hour interview with Foreign Minister Molotov to night.

The three western representatives went at once to the American Embassy after the meeting.

"We met with Molotov," said Walter Bedell Smith, United States ambassador, "no comment."

He juggled his briefcase from one hand to the other, obviously anxious to get to work with his colleagues.

ALL NON-COMMITTAL

All three envoys—Smith, Frank Bessner of Britain and Ambassador Yves Chateigneau of France—were non-committal as they left the Kremlin.

Smith arrived at the Kremlin first, followed by Bessner, who is secretary to Foreign Secretary Bevin, and Chateigneau. These three all had conferred with Stalin Monday night, seeking a basis for ending the Soviet blockade of Berlin and resolving other east-west differences.

STALIN NOT PRESENT

Stalin was not believed present at this meeting, which the western diplomats had sought with the foreign minister.

"Diplomats in London said that the Big Four communiqué to be issued this week-end, announcing plans for a new meeting of the foreign ministers' council, the council is the four-power agency whose last two meetings broke up in disagreement."

Plant Smoke Bomb Target

(Picture Page 3)

DAYTON, O., Aug. 6.—(AP)—A smoke bomb was hurled from a building and exploded in the area of the troop-guarded Univ. Less Company plant today. There were no casualties.

National gardeners (initiated) called by Governor Thomas J. H. Herbert of Ohio four days ago to prevent fresh picket-line skirmishes at the strike-bound plant, ducked for cover as the bomb exploded.

There were 10 guards in the vicinity when the bomb, containing three paper bags filled with gun powder, was hurled near the plant.

The Univ. Less company struck by the United Electrical Workers (UEW) 85 days ago, requested the week to allow some employees to return to work. It was then that the plant was called after a strike settlement plan was rejected by rank-and-file union members. The dispute originally involved wages.

Atherton Resigns As U.S. Ambassador

WASHINGTON, Aug. 6.—(AP)—Ray Atherton, United States ambassador to Canada, has resigned that post and been appointed an alternate delegate to the fortieteenth general assembly of the United Nations in Paris.

Where Wind-Swept Flames Guttled Town

CENTRE OF HOLOCAUST was the fire-scarred downtown block of Lac La Biche in which seven business buildings, a home, sheds and warehouses were razed. Aerial photo shows tracks on which a locomotive was driven to pump water onto the flames and adjacent buildings which were threatened. Women of the town acted as fire-watchers to prevent outbreaks similar to one which threatened the Hudson's Bay staff house at height of the blaze but was quickly extinguished. —Photos by Bland.

Cool And Cloudy Again

Edmonton's weather will remain on the cool side today. The weatherman says there will be a slight change in the weather today with only light winds. He says it will be slightly warmer this afternoon, but a temperature in the evening is expected to drop to 70 degrees.

Weather synopsis and an official forecast issued at 10 a.m. today by the Dominion public weather office at Edmonton said valid until midnight Saturday follow:

SYNOPSIS

Intermittent rain has fallen during the night in the Peace River country, elsewhere skies have been clear on the western prairies.

Cool Pacific air has moved over all the western prairies. Some drizzle is expected to develop this afternoon, especially in Alberta, but no significant rainfall is expected except in the Peace River region, where rain will end this afternoon.

FORECASTS

Edmonton Region: Clear, becoming cloudy this afternoon; variable cloudiness on Saturday; light winds; a little warmer; low tonight at Edmonton 45, high tomorrow 72.

WRECKAGE OF HOME in Lac La Biche surrounds Walter Preuss and sons

Walter Preuss and sons, 12 (left) and Eddie, 13, flames broke out within a few feet of Preuss residence and were seen by the father from a distance of two blocks. Boys fled in their night clothes. Mrs. Preuss, only fire victim, is in hospital suffering from nervous reaction and shock but is expected to recover in a few days. (See other picture on Page 9).

Polio Peak Expected During Next 3 Weeks

Parents were warned today by Dr. G. M. Little, medical officer of health, that the next three weeks are the most crucial in the present poliomyelitis epidemic.

He said the peak of the disease in Edmonton during the past 21 years has always occurred during the last three weeks of August.

Dr. Little warned parents to guard against children becoming overtired. He said that children should be kept in bed at an early hour.

This should be strictly enforced in Dr. Little's opinion.

He also cautioned against frequenting places where there were large crowds.

Many organizations throughout the city are co-operating with the health department in inoculating children and other functions.

Park Institute paralysis year was 1927 when 96 cases of the disease were reported in the city. In 1933, 1934 and 1935, there were 10, 11 and 12 cases respectively.

The total cases reported during the past 21 years was 211.

The city total rose to 16 today as two further cases of the disease were reported to the city health department.

BURLY GRAPPLER ON 'SIT-DOWN' STRIKE

LONDON, Aug. 6.—(AP)—A big Egyptian wrestler today staged a "sit-down" strike in the middle of the mat during Olympic Greco-Roman wrestling and made the referee change his decision.

Light-heavyweight K. E. Nilsson of Sweden tossed Ibrahim Orabi over his head and the referee said Nilsson won by a fall.

The Egyptians protested loudly. Orabi, to express his dissent, stretched out on the mat and refused to budge.

For 15 minutes officials waited for him to get going, but no. Finally in desperation they called Nilsson back out of the dressing room and ordered the match to continue.

Nilsson won by a fall. This time there was no squawk from the Egyptian.

Town Planner For City Advocated

Edmonton will have a fully-trained professional town planner if recommendations made by city planners committee Thursday receive final approval.

Bylaws committee of the city council unanimously recommended that initial steps be taken toward appointment of a town planner and that the city council give consideration to the recommendation.

The Town Planning Commission had recently urged similar action.

Liberal Living Cost Under Attack

Platform Plank Passage Delayed

OTTAWA, Aug. 6.—(CP)—A battle over proposed Liberal policy on the cost of living erupted today on the floor of the party convention.

The plank apparently was on the verge of adoption after a series of speeches lauding Liberal employment policy when a member of the Canadian University Liberal Federation from Montreal—James Paterson of McGill University—grabbed a microphone and held up the works.

"The pressing question now is that we have out-of-hand initiated in this country," he shouted at platform officials, expecting the resolution to go through smoothly, conferred hastily.

"The candidates for the Liberal party are not the Liberal party," he said, "but the Liberal party."

Complete coverage of the Liberal convention is provided by THE BULLETIN's wire services and Ottawa Bureau staff. More Canadian Press, United Press and Associated Press reports appear on Page 13.

Paterson said, "It will be hard to convince the constituents that we are doing something to employment and living standards."

D. A. Macdonald of Glasgow, Ont., president of the eastern Ontario Liberal Association, likewise opposed passage of the resolution as it stood and moved that consideration be deferred until after, so it could be debated.

His motion was put, and chairman John Macdonald of the Liberal party, after a brief argument, declared it lost.

Mr. Macdonald continued his argument, and finally the chair agreed to have the discussion put over.

Later Mr. Macdonald told news-gatherers his association had posted that the plank contain provisions for temporary price controls where necessary, which apparently had been tossed out by the resolution committee.

Walter Tucker, Saskatchewan Liberal leader, proposed the resolution.

King Will Not Accept Draft for Leadership

By George Kitchen

OTTAWA, Aug. 6.—(CP)—Prime Minister Mackenzie King told the Liberal party flatly in a farewell address today he cannot be drafted back into the party leadership however kindly any such movement may be.

"I am still supporting St. Laurent," he stated firmly.

St. Laurent In Rail Position

OTTAWA, Aug. 5.—(BUP)—With the national Liberal convention concentrating today on hammering together a new party platform, the party leadership race went largely underground, but with several individuals vying for the position.

No Immediate Federal Vote

OTTAWA, Aug. 6.—(CP)—Prime Minister Mackenzie King reminded the National Liberal Federation today that the life of the present parliament still has two years to run—a statement which observers seized on as an indication that there will be no immediate general election.

A member, he said, it seemed to him that unless he had reason to believe he would be able to carry on a subsequent term, the party would "be justified in holding on to office until the last moment."

Observers said they considered such a statement as no general election will take place until late in 1950, or 1951.

HUNTLING HOUSEWIFE who has become the sensation of Olympic Games in London is Mrs. Fanny Bunkers-Koon of Holland. Today she became the first woman in history to win three Olympic track and field titles by taking the 200-metre sprint. Previously she had won the 100-metre dash and the 80-metre hurdle. Dutch Girl Wins 3 Olympic Titles

First of Sex in History To Accomplish Feat in Games

(Picture Page One)
OLYMPIC STADIUM, WEMBLEY, Aug. 6.—(CP)—The Netherlands' amazing Fanny Blankers-Koen today won three Olympic titles in 100, 200 and 400-meter races in track and field by flashing to victory in the women's 200-meters sprint.

At the same time, Canada's Greta Thomsen was qualified for the 400-meter relay final, to be run tomorrow, by finishing second in her qualifying heat.

The Canadian team is comprised of Don McFarlane, London, Ont., Jimmy O'Brien, Toronto; Ted Hagis, London; and Don Pettie, Calgary. The Netherlands team is comprised of Fanny Blankers-Koen, 30-year-old mother of two children and oldest woman to win in the games, became the first to win the 200-meter race, which was included in the Olympics only this year.

Nearest approach to her three-time record in the past was by American Babe Dinkins, who won two firsts and a second at Los Angeles in 1932.

The Netherlands flash was today in 24.4 seconds, which stands as an Olympic record for the new event. British Audrey Williams came second, seven-tenths of a second behind. Audrey Patterson of the United States was third for the best showing made by any American in this year's track and field.

Beautiful Mrs. Vicki Masalo Draves from Pasadena, Calif., won the high-platform diving championship to set a record of her own. No other woman has ever won both the Olympic springboard and diving titles.

Big-headed, durable H. Erikson of Sweden won the 1,500-meter race, beating out favored Lennox Strand, 10-year-old, who finished second. Emil Grunig of Switzerland won the 300-meter, full-hour title, beating championship 1:11.9, 1:12.0 of 1,200 possible points.

Sveden's K. Frel took the first Greco-Roman wrestling title, in the lightweight class. Canada's second place in the 400-meter relay in the first time any final since Viola Myers of Toronto and Pat Jones of New Westminster, B.C., won fourth and fifth respectively, in the women's 100-meter dash earlier in the games.

IT'S TRADITION

Liberals Go Red With Roses

OTTAWA, Aug. 6.—(CP)—A Liberal about that red, red rose in his buttonhole and he may tell you he's wearing it because it was a tradition or because it is a carnation.

"I don't know—I suppose they couldn't get any carnations and so they thought roses," said J. Gordon Fago of Ottawa, chairman of the national Liberal convention.

Then he elaborated. "It's the color, not the flower that counts," he said. "I got back to the old days when the parties were known as the red and the blue—look around you and you can see that red is the predominant color of the convention."

Two Women Held For Diamond Smuggling

NEW YORK, Aug. 6.—(RUP)—Customs officials confiscated \$250,000 worth of diamonds today from two women suspected of being agents for an international smuggling ring.

Both women are in the diamonds in secret compartments in their suitcases. Tip off from federal agents in Holland led to the seizure of the women stepped from two planes at La Guardia airport.

Harry M. Durning, collector of the port of New York, announced the detention of the two women. He said his office had been asked by diamond dealers to break up a ring which was flooding New York with gems on which no duty had been paid.

DISTRICT NEWS IN BRIEF

Community Work Is Recognized

PORT McMURRAY, Aug. 6.—The Waterways-Murray Chamber of Commerce meeting took a rather unusual form Wednesday night. Instead of the usual discussions on roads, new industries, etc., the time usually taken up with this was spent in showing to Mr. and Mrs. Hugh Ross and Mrs. J. Heslop, their appreciation of the wonderful community work these people have done.

CONVICTS USED IN MULES' WORK AT THIS PRISON

MONTGOMERY, Ala., Aug. 6.—(AP)—Astonished prison investigators learned yesterday that convicts have been used instead of mules to plow farmland in Alabama.

The disclosure came from Prison Director Frank Howell, who insisted that a small group of negro convicts at Kilby prison hitched themselves to a plow voluntarily. He explained it this way: The farm at Kilby was ground so soft that mules can't work. Convicts working in the field pulled the plow, however, rather than work the land by hand.

Hospital Aid Donates Softener

HIGH PHAIDIE, Aug. 6.—Providence hospital has completed a new fireproof cold air bin 30 by 21 feet reinforced by steel rods every six inches, having two windows for light. It is situated in the rear of the main building. Purchased by the Hospital Aid, the fine new water softener has arrived and is being installed in a specially fitted room in the basement. It consists of four tanks 84 in. high 24 in. in diameter; one iron removal tank, one iron removal tank, one brine tank. After drilling a well some 300 ft. deep, the hospital has a plentiful supply of water, but it is too hard for washing and the iron gives it a color and a disagreeable taste. It is hoped that all this may be overcome by the new water softener.

A new electric transformer is being installed especially for the use of the X-ray unit.

Electors Urged To Vote Liberal

COLD LAKE, Aug. 6.—Bitterly attacking the Social Credit Provincial Government, saying that they couldn't build a co-venter let alone a bridge or a road, Joe DeAthens M.P. for Alberta urged the electors of Cold Lake to throw out J. W. Beatty, K.C., and elect J. Baril the Liberal candidate for the St. Paul constituency. At the Liberal meeting here recently Mr. Baril of Bonnyville promised the advocate a minimum road building program and a desire to initiate rural electrification. Speaking in behalf of Mr. DeAthens, a former member of the Alberta Legislature, spoke of a federal appropriation for a \$25,000 breaker for Cold Lake. George E. Hill of Cold Lake, who acted as chairman, significantly ended the meeting with a plea for cooperation in the best interests of the community.

Teacher Loses Car When Fire Destroys School

INDSFREE, Aug. 6.—On Tuesday Aug. 4 Woodville school, about 14 miles south of Innesfree, was destroyed by fire. Also burned was a collection of school text books and a car belonging to C. C. Poirer, present school teacher at Woodville. Although the cause of the fire is still unknown, it is believed to have occurred about midnight of that evening. Up to the present time the total cost of damage has not been officially confirmed.

Ladies Aid Holds Monthly Meeting

VETERAN, Aug. 6.—The regular monthly meeting of the Ladies Aid was held at the home of Mrs. Ella Timmer's residence. During their absence Rev. and Mrs. J. Kirk of Lacombe are looking after the farm in the Nose Hill district.

First Spring Wheat Field Reported

LETHBRIDGE, Aug. 6.—(C.P.)—Alberta's first spring wheat harvest of the year was reported yesterday from Burdett, 6 miles east from the farm of David Cook. The wheat weighed 61 pounds a bushel and the yield was 25 bushels an acre.

Over 1,500 Attend X-Ray Clinic

GRAND, Aug. 6.—The X-Ray Mobile Clinic, which was in Grand, X-rayed, between 1940 and 1949, people.

GRIMSHAW ROAD WELL ADVANCED

PEACE RIVER, Aug. 6.—The Dutton and Mann crew building the Grimshaw to Alberta boundary section of the Grimshaw-Yellowknife highway has completed work as far as the northern boundary of the province and pulled into Grimshaw. Only a few miles now separate the completion of the highway to Lower Hay River and this is being done by the Bond Construction Co. Dutton and Mann Co. is still engaged in completing the graveling.

Miner is Killed Near Lethbridge

LETHBRIDGE, Aug. 6.—(C.P.)—Steve Oudi, 47, today was killed in a mine accident at the Standard Mine of the Lethbridge colliery near Sharnburg, Alta. Details of the accident are sketchy. He and an investigation, is being launched. Oudi was employed as machine man in the mine and is said to have been ill when he reported for work Thursday and when his condition deteriorated it was decided to return him to the surface. As he was being taken up in the elevator he fell from it to the bottom of the shaft. He was dead when fellow workers reached him. An inquest will be held.

Daysland Youths At Lake Camps

DAYSLAND, Aug. 6.—Vernon Hogan is at Camp Weymouth Lake attending Boy Scouts Patrol leaders camp.

Dick Dougan and Jimmy Giespie, Bobby Mosier, Dick Hawelak and Lloyd Gerhart are spending week at the Boys Camp, Buffalo Lake.

Couple Celebrates 25th Anniversary

CHIPMAN, Aug. 6.—Mr. and Mrs. Mike Pylychuk of Chipman district celebrated their silver wedding anniversary recently. Mr. Pylychuk came to Canada in 1922 and settled in Chipman area where he still farms.

Below on couple attended the anniversary celebration, William Klau, councillor of Lamont municipality, was master of ceremony.

Inquest Held

PINCHER CREEK, Aug. 6.—(C.P.)—A coroner's jury returned a verdict of death by drowning at an inquest held Wednesday into the death of Joseph Charvett, Pincher Creek farmer and rancher. He was drowned while attempting to feed the cattle River July 29.

Smoldering Ruins Mark Former Business Centre

PANORAMA OF DEVASTATION greeted eyes of sleepless Lac La Biche residents Thursday morning following their night-long vigil and Herculean efforts to save their town from complete destruction in flames of a furious fire which wreaked more than \$100,000 worth of havoc in less than three hours. Only greatest endeavor on part of entire male

population saved other downtown business blocks from wind-fanned flames which swept menacingly around buildings in three other blocks. Burning embers drifted over a mile from the holocaust, threatening most of the town.

TRIBUTE PAID TO FAMED NURSE

A Nurse Edith Cavell memorial service will be held in the Church of St. Mary and St. George, Jasper, at 11 a.m., August 8.

The service, to commemorate the heroism and fortitude of this woman, after whom a mountain in Jasper National Park has been named, will be conducted by Rev. W. E. Harrison, B.A., L.T., of the Church of St. John the Evangelist in Edmonton.

Mr. Harrison served with the Canadian Army in the second World War, and was an army chaplain in Holland.

Magistrate Resigns To Contest Seat

Resignation of Magistrate Pattison, of Edmonton, was announced officially in the Alberta Gazette, Tuesday.

Magistrate Pattison is CCF candidate for the Edmonton constituency, and could not remain in the public service while taking active part in the election campaign.

Five Alberta amateur pilots will compete for the right to enter the Dominion finals, for the Webster Memorial trophy, in special competitions to be held Sunday at the Edmonton airport.

The Alberta finals will be directed by the Edmonton Flying Club, a member of the Royal Canadian Flying Clubs Association, sponsors of the competition.

Driving Counts Bring Small Penalties

Two auto drivers, involved in Edmonton's civic holiday traffic accidents, appeared in police court Thursday afternoon and received small fines.

Presiding judge to a dangerous driving count, Irwin Rozes, 22, of 12304 46 street, was fined \$40 and costs and prohibited from driving for 60 days.

INTERNATIONAL PRESIDENT TO SPEAK

Angus S. Mitchell of Melbourne, Australia, president of Rotary International, will be a guest at the Edmonton Rotary Club at a special reception and dinner to be held in the MacDonald Hotel Wednesday, August 11, at 7 p.m.

The dinner will replace the usual Thursday noon meeting of the club.

Prof. Rupert Lloyd, lecturer at the University of Alberta summer school, as guest speaker at a meeting Thursday, outlined the philosophies respecting money held by various religious groups. He was introduced by St. A. Dickson.

Donald Ramsey, new member of the club, was introduced by his father, Walter Ramsey, president of the Rotary.

Stormy Arguments Mark CCF Meeting

First Fireworks Flare On Insurance Question

Fireworks flared on Edmonton's political front Thursday night.

The subject of automobile insurance exploded a CCF campaign meeting into a hubbub of shouting and cries of insurance "racketeers."

Audience and election candidates exchanged heated words in the first fireworks to occur at any Edmonton political meeting in the current election campaign.

Meeting was held in St. John's Church, Parish hall at 109 street and University avenue.

Mr. Power, who was the audience, making it the fourth largest audience to attend any city political meeting in the current election campaign.

RCMP MAKE STAFF CHANGES IN EDMONTON

Inspector Charles Batch, who has been in charge of Criminal Investigation Department activities for the RCMP at Edmonton, left Thursday for Calgary where he will command the Calgary sub-division of the force.

Superintendent G. N. Curleigh, officer commanding the Calgary sub-division since December, 1945, will assume Inspector Batch's former duties there.

Inspector Batch has served with the RCMP in Manitoba, Ontario, Saskatchewan and Alberta. He enlisted as a constable with the Manitoba Provincial Police in 1928, transferred to the RCMP when provincial police status was absorbed by the force in 1930.

Superintendent Curleigh joined the RCMP in 1929 and has served at Edmonton, the eastern Arctic, Alaska and in Eastern Canada.

Optimists See Moving Pictures

Two motion pictures, *Peter Pan* and *You Take the Highway*, were shown members of the Optimists Club at their luncheon meeting in the MacDonald Hotel Thursday.

"You Take the Highway" was recently filmed by the National Film Board, and shows scenic views in Jasper, Alberta. The film was shown by Basil Kirk, member of the Club.

Govt. Board Names Leisemer

A temporary appointment of George E. Leisemer to the petroleum and natural gases conservation board was announced today by officials of the department of lands and mines.

Mr. Leisemer is replacing Prof. George Govier, of the University of Alberta, who is taking a post-graduate course at an American university.

Prof. Govier will resume his place on the board when he returns.

Crop Outlook Improving In Alberta

Crop prospects for Alberta continue to brighten, with greatest hope held for the northern and central areas of the province.

Report issued today by the Canadian National and Canadian Pacific Railways told of continued favorable growing conditions in many areas, with harvests being prepared for, and dry cutting actually under way, in a few districts.

While harvesting is well advanced in the central and southern districts, it will be in most southern districts by next week.

Northern Alberta has reported excellent growing weather with good rains.

Considerable quantities of late alfalfa and clover are now being harvested and are well greened and are expected to be in good condition for green feed.

In the Peace River area, showers and continued sun weather have caused rapid growth, with grain turning golden.

It is being cut under the Spirit River and a good yield is expected while cutting of grain crops is now general and promising and combining have begun in some sections.

Farther east, drought damage in Saskatchewan seems to have been halted by light and scattered rains, although a few districts report irreparable damage from previous hot spells.

Harvesting has begun in some areas of the province and is expected to be general within the next few days.

Duluth is reported to be poor during the summer, Wood Mountain, Swift Current and Tisdale sub-divisions.

Slowly damage ranging from slight to 10 per cent was reported in the southern and south-west areas of the central prairie province.

Nearly all areas report the harvesting of rye under way or about to begin, and some early barley is being cut.

Crops generally are well filled out and an average yield is expected to result.

Bride Is Buried Husband in Hospital

The funeral of a British wife was held Thursday while her husband, suffering from a heart ailment, lay helpless on a hospital bed.

Mrs. Kenneth Hodges, 31, for many months, died in hospital Saturday after a lengthy illness for three months of which her husband was confined to a bed in another hospital.

They had not seen one another during that period.

The body of the dead woman will leave Thursday for the English home which she left two and one-half years ago.

She is the former Kathleen Davis.

City Liberals Attack Socred's Platform

A blistering attack against Social Credit government road policies was leveled by Liberal election candidates at a meeting held Thursday night in Strathcona High School.

Candidate Ralph Brownlee charged the provincial government with pouring out millions of dollars every year to repair poorly built highways.

Need for a permanent system of school roads, marketing roads and tourist highways was emphasized by Brownlee.

As a solution to highway problems Brownlee offered the Liberal program of \$100,000,000 for Alberta highways in five years.

He also stressed the need for a new provincial government housing scheme.

"MOONSHINE"

Assailing the Social Credit platform for "moonshine moonshine" candidate Peter J. Lazarowicz stressed a clause in the Liberal program calling for a Highway Advisory Commission.

The highway commission would coordinate building of all-weather roads, Mr. Lazarowicz explained, and education grants, Mr. Lazarowicz advocated the provincial government bear 50 per cent of education costs in rural and country school districts.

Quoting statistics, Mr. Lazarowicz claimed that in Edmonton alone city taxpayers here 90 per cent of education costs in the district.

Speaking for Provincial Leader J. Harper Proulx, Alan Macdonald emphasized need for permanent highways in Alberta.

City Thieves Active But Loot Is Small

Edmonton's city police blotter was limited to minor theft occurrences and three small break-ins today.

Mrs. A. Hewko, 16722 92 street, reported the loss of two necklaces, a ring, and \$10 in cash, when thieves ransacked the main floor of her home Thursday afternoon.

Six fountain pens, some trinkets, and 21 cents from a "pity bag" comprised the loot in an entry at the home of Mike Kuchynski, 12801 57 street. The occupants were absent at the time.

Thieves who entered a garage at 16737 37 street stole sun glasses, cosmetics and a hat to a total value of \$10, owner Brian Bray told police. Hap on the garage door was forced to gain entry.

A parcel of unwashed laundry, 15 tanmark fence posts, two auto seats and two car seats, a pair of binoculars, and a spare tire made up the loot in various other thefts reported to the police.

Cannier substituted two older and weaker tires when they removed two tires in good condition from a City Telephone Department trailer while it was parked on a city street.

SHOPPING GUIDE

Apricots Reach Peak Volume This Week

By Bea Thrift

And how many quarts of apricots have you stored away in your fruit cellar?

I hope it's nearly enough to last through the long winter months. Because apricots are at their peak now and are expected to taper off rapidly.

Prices are fairly reasonable now with a case going to the housewife for \$2.35 to \$2.95 in most stores.

Plums, still the green-colored ones, are slipping down to 17c per pound, but a while yet before the preserving plums are here in volume.

Week-end shoppers will be more than delighted when they find out that for 15c per pound and cucumbers for 6c per pound.

Corn-on-the-cob doesn't create such havoc with the budget as you might think. You can buy half a dozen for 35c this week-end.

Pipe cleaners—those fuzzy little things spiraled on wire—are the whitest, on the list of things girls are taking over from the boys.

And with successful results.

Pipe cleaners, which you can buy at 10c for two dozen, make excellent carvers; swabbing mud smudges from your eyes.

A lipped pipe-cleaner is also useful for removing powder from your eyelids.

Of course, in a different vein, there are the tricky ornaments you can twist into shape with the cleaners and a bit of colored wool. Try this—just see how expert you can be.

Lingerie loveliness in the shape of a deliciously naughty-looking black negligee and nightie set taught my sewing eye to look through the stores yesterday.

The negligee boasted a full arm and cascade of fluffy lace as it was thrust and wadded.

The nightie was a dream of an off-the-shoulder job with a girth red skirt and lace insets.

The train would set a poor gal back \$50.

Smoking of black lace, I've always had a not-so-secret yearning to be the bewitching black lace type.

Mary McKay Kirstine Weds Fred C. Astle

Bride Wears Original Model Gown Fashioned of Pearl White Satin

One of Edmonton's prettiest weddings of the summer season was performed in Robertson United Church late Thursday afternoon.

Mary McKay Kirstine, daughter of Mr. and Mrs. A. Graeme Kirstine, became the bride of Frederick Calvin Astle, son of Mrs. W. W. Astle and the late Dr. Astle, all of Edmonton.

Summer blossoms in shades of pink and white decorated the church while the guest seats were marked with sweet peas tied with tulle bows. Lighted stars were placed at the front of the church. The Rev. G. Harrison Villier presided over the ceremony.

ORIGINAL GOWN
Entering the church on the arm of her father the bride was radiant in an original gown of pearl white Duchesse satin, fashioned on occasion lines the dress featured a portrait neckline, bustled back paniers and bouffant and a voluminous skirt terminated in a Cathedral train.

Six Chantilly lace ruffles graced the bertha and paniers. Her veil of French tulle was caught to her head with a Juliet cap studded with tiny beads and she carried a prayer book marked with gay daisies, stephanotis and white gladioli.

BENEDICT ATTENDANTS
Bridal attendants were Mrs. S. H. Ward, matron-of-honor, Helen Kelly and Margaret W. bridesmaids, and Marilyn Van Dusen, flower girl.

Pink tulle fastened the dresses worn by the matron-of-honor and bridesmaids. The bridesmaids wore berthas, buttons down the front and full girdled skirts, complemented with matching handkerchiefs. The bridesmaids wore sweet peas and net dresses and were carried by the attendants and they carried bouquets of roses, daisies and sweet peas.

The flower girl was dressed in a dress of white organza over tulle styled like the bridesmaids' dresses. She wore sweet peas in her hair and carried a white basket of sweet peas and lavender roses. Bob Blackett was best man and usher were William Astle, William Kirstine, John Syde and Alan Knight.

Bob Collins played the wedding music. The organ was played by the register. Mr. Richard Reid sang "O Perfect Love."

RECEPTION AT MAC
A reception was held in the ABC rooms of the Macdonald hotel following the ceremony. For her daughter's wedding Mrs. Kirstine wore a rose crepe dress with a flowered hat in tones of beige. The bride wore cream accessories and a corsage of cream roses and sweet peas.

Mrs. Astle wore a gray crepe dress complemented with a picture hat of navy blue moiré. She wore navy blue accessories and an ornate corsage.

A four-tier wedding cake flanked by signed letters centered the bride's table. Percy Page was toastmaster and Art Klopfier proposed the toast to the bride. Toast to the bride party was proposed by Mrs. Van Dusen and the toast was given by Mr. H. Blackett.

Presiding at the tea were Mrs. John Syde and Mrs. Art Klopfier. For a honeymoon trip by car to the coast the bride and groom were given a gift of a new car by the bride's father, Mr. W. W. Astle.

St. Laurent Wins Votes As Jimmy Does 'Fade-Out'

By DICK JACKSON
Edmonton Bulletin Ottawa Bureau

OTTAWA, Aug. 6.—All was not sweetness and light summer dresses at last evening's garden party of the National Liberal Federation at Ottawa's Central Experimental Farm.

There were some feelings there colder than the ice cream, or maybe hotter than the coffee.

The men behind the Gardiner-for-Liberal leader campaign were suffering acute hot and cold flashes. It happened this way:

JIMMY WAS HOST

Mr. Gardiner, in minister of agriculture, and the party was at the farm. So, around the men-of-the-day, the honorable Jimmy took the lead. And so he was, for a time, with Mr. Gardiner receiving the guests who lined up four abreast outside the entrance to a small tent in front of the administration building, but the Gardiner were alone. Other cabinet ministers and their wives were in there pumping hands of the delegates from the constituencies.

Suddenly, and for no reason any one seemed able to explain, the honorable Jimmy disappeared.

ST. LAURENT APPEARED

Just as suddenly, who appeared beside Prime Minister King at the receiving end of the reception line but External Affairs Minister and Mrs. St. Laurent.

Co-incidentally it seemed, other cabinet ministers and their wives who had been competing with the Gardiner for undistracted hands, melted from the tent and Mr. King with the St. Laurents went alone.

The line thickened and lengthened and Mr. St. Laurent, caressing his just-faded charm, smiled and shook hands for 100 minutes while Gardiner supporters fumed and boiled.

GARDINER VANISHED

Runners were sent out in all directions to track down the strayed Mr. Gardiner, but he had vanished.

"Well," complained a Gardiner lieutenant bitterly, "Jimmy's the one who was supposed to be allowed to speak on the various resolutions. Most of the resolutions will be permitted to speak for 15 minutes. Other speakers will be limited to 10 minutes, although the chair reserved the right to reduce the time to five minutes."

Sea Littered With Airliner's Wreckage

NEW YORK, Aug. 6.—(AP)—Flame-charred, splintered wreckage, found off the African coast in the South Atlantic, was believed today to have come from a giant French flying boat missing since Sunday with 52 persons aboard.

The wreckage, including airplane seats, was found by the United States coast guard cutter Campbell, whose commander told headquarters here there was "little doubt" it was the remains of the 72-ton, all-weather Air France Latécoere 631.

The wreckage was 70 miles from Martinique to West Africa and was 1200 miles off Dakar when its last official radio signal was heard shortly after midnight Saturday.

Early yesterday a United States Air Force B-29, part of a large search mission, was seen striking many hundred square miles of by fire either before or after an ocean for the lost seaplane, spilt wreckage and radioed the cutter Campbell, searching nearby.

The Campbell reported later that it was steaming slowly "through a sea literally covered with debris." The plane seats thus far are the largest of several items taken aboard the Campbell to aid in determining the cause of the tragedy and are comparatively unharmed in sharp contrast to charred bits of plywood, a table top and a locker.

Coast guard officers on board the Campbell believe there is no doubt that the plane was stricken by fire either before or after an ocean for the lost seaplane, spilt wreckage and radioed the cutter Campbell, searching nearby.

3,500 Drown In China Flood

NANKING, Aug. 6.—(AP)—Flood waters of the Yellow River driven near 3,500 persons and left 60,000 homeless in the rich North Honan province, official reports released here today said.

The water conservation committee said reports from North Honan magistrates described the flood the worst in 100 years. More than 1,000,000 fertile acres were flooded. Frequently preliminary reports of this nature are exaggerated as to casualties.

Nine districts north of Chenghsien were reported flooded when the dikes of the Weihsu, a tributary of the Yellow River, collapsed. Reports here from magistrates gave 3,400 missing or drowned, division homeless and 42,439 homes destroyed.

Split on Freight Rates Plank Seen

Question May Divide Liberal Convention into Hostile Camps

By Norman M. Mackend

OTTAWA, Aug. 6.—(UPI)—The national Liberal convention's most stormy inevitable struggle—the battle over the freight rates plank in the new party platform—was joined today behind the closed doors of the resolutions committee.

It is estimated later today, possibly this afternoon and perhaps not until this evening, the warlike will spread to the floor of the convention. It threatens to split the gathering into two hostile camps composed of the central provinces of Canada and Quebec against the rest of Canada.

LIFT BURDEN

Demanders of the Maritime provinces for a royal commission and freight rates are merged with first Lib. Columbians demands for removal of the mountain differential and with subsidy proposals by Lib. leader Walter Tucker of Saskatchewan. The combined objective of all three suggestions is to lift the burden of transportation costs which the non-central provinces of Canada are bearing and, indirectly, and inevitably, adding them to the general taxation burden which Quebec and Ontario contend they bear to an extent of upwards of 50 per cent of the total.

The subject of today's battle in the resolutions committee is the draft resolution submitted for approval by the pre-convention resolutions committee, and thus bears the implied stamp of official government knowledge and concurrence.

BITTER CONTROVERSY

The resolution, which instead of proving a happy policy formula

EVEN THE BARD HAS 'NEW LOOK'

LONDON, Aug. 6.—(UPI)—London has a "new look" statue of Shakespeare.

Workers repairing the Theatre Royal in Drury Lane tried to lift a crucifix-shaped statue. It was supposed to be made of plaster, but wouldn't budge.

Experts clipped off half an inch of rust formed by repeated etchings of paint—and found the statue was made of lead.

Federal Road Action Urged

OTTAWA, Aug. 6.—(UPI)—Trade Minister Howe, in his first speech at the Liberal convention, referred briefly today to the Trans-Canada highway.

The next speaker, Premier Johnson of British Columbia, urged him to say more.

Mr. Howe said development of the highway is part of the Liberal program.

His statement, however, was seen by observers as tending to forestall current demands from some sections of the country for further work in extending the partially-finished highway.

But Premier Johnson urged him to give details. He said he believes the Liberal party should announce the extent of cooperation and financial aid the government will give the provinces on the project.

Water Tucker, Saskatchewan Liberal leader, endorsed Premier Johnson's stand.

There should be a coordinated highway system connecting all parts of Canada, he said. The thymion government must do a "fair share" in providing road transportation.

WASHBUBBLE

for your whole family wash!

it's Tide

... you've never used anything like it!

Discovered as a result of wartime research, Tide amazed even the men of science who discovered it! Tide does what's never been done before—washes clothes cleaner than any soap made, yet actually leaves clothes brighter! Try Tide for your whole family wash... not only your worst washday problems and watch Tide laugh them off! Washbub! Tide and guess! Nothing's too dirty for Tide! Hard-water problems? Tide attacks up oceans of suds even in hardest water!

ONLY Tide DOES ALL FOUR!

1. Washes clothes CLEANER!

Yes, cleaner than any soap! Even grays overall... and grimy play clothes with the dirt ground into the fabric... all come thoroughly clean! Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well. Tide laughs at stubborn dirt!

2. Gets clothes dazzling white—they're CLEANER!

Yes, shirts, sheets, towels and pillowcases come so much cleaner with Tide. They shine! And they look that dazzling whiteness week after week... Tide never turns them yellow!

3. Actually brightens colors—they're CLEANER!

By making dulling soap film disappear, Tide gets your gay print dresses so much brighter you can see the difference! Does it safely, too! Yes, even with all its terrific cleaning power, Tide is truly safe for all your washable clothes! It's amazing!

4. Gives more suds—prove it in your dishpan!

Kind-to-hands suds! Faster suds! Longer-lasting suds than any soap in hardest water! Tide cuts grease like magic... washes dishes cleaner than any soap! No suds in the water! No cloudy film on dishes and glasses! That's why they rinse and dry so sparkling clear—even without wiping!

Radio Cash Prizes Face Elimination

Crackdown Planned by U.S. Board on 'Money' Programs

WASHINGTON, Aug. 6.—(CP)—The Federal Communications Commission said yesterday it proposes to crack down on radio cash prizes which appear to involve a lottery or to depend "upon lot or chance."

The action, the commission said, is a statement, it prompted by "the growing number of 'money' programs on the radio."

The crackdown will apply not only to cash awards but to any other thing of value. That takes in the familiar milk coat, trip around the world, deep-sea larder full of food and family helicopter.

In New York, network officials refused to comment on the probable effect of the commission's proposed new regulations. The networks have contended all along that their give-away programs make awards on the basis of contestants' skill or knowledge and could not be classed as lotteries.

Some trade circles estimate the value of cash and merchandise awards on the four major networks alone run to well over \$100,000 a week.

Better Transport To Alaska Need

WASHINGTON, Aug. 6.—(AP)—President Truman was quoted yesterday as saying it is an urgent necessity that additional means of transportation to Alaska be developed rapidly.

Delegate Edward Bartlett of Alaska told a reporter at a conference with Truman that the president seems keenly interested in improving transportation to the territory, both for its development and because of the United States situation.

The president expressed the opinion that a highway should be constructed without delay from the Pacific northwest states through the Rocky mountain trench, he said. He quoted the president as also saying there should be a railroad connection between the territory and the United States.

Bartlett said the president also regarded it as imperative that maritime transportation be improved.

Unions To Discuss 'Met' Cancellation Of Opera Season

NEW YORK, Aug. 6.—(AP)—A meeting of all unions concerned with the Metropolitan Opera House was called yesterday for next Monday to discuss the cancellation of the 1948-49 opera season.

Lawrence Tibbett, Metropolitan baritone and president of the American Guild of Musical Artists (AGMA) called the meeting. The Metropolitan directors announced the cancellation Wednesday. They said there was a \$200,000 deficit last season and they could not meet union demands for wage increases.

A total of 730 claims have been received to date this year, compared with more than 3,000 claims in the same period last year.

Hail Insurance Claims Show Drop

CALGARY, Aug. 6.—(CP)—The Alberta hail insurance board said yesterday that only about \$100,000 has been paid out so far this year in claims. Last year the board paid out \$1,700,000 during the year. Hail insurance does not lapse until Oct. 1.

A total of 730 claims have been received to date this year, compared with more than 3,000 claims in the same period last year.

Higher U.S. Meat Prices Forecast

WASHINGTON, Aug. 6.—(AP)—Agriculture Secretary Charles Brannan said Wednesday that meat prices in the United States, already at record levels, will go higher through the summer "unless some positive action is taken."

Brennan told the Senate banking committee that meat supplies will continue to be low.

Meanwhile, a telephone crusade against high meat prices mounted in Texas, a price mounted in Chicago livestock market. It was there that the all-time high hog peak—\$13.90 a hundred pounds—was reached.

The butcher groups centred in Texas, in Dallas, where the Dallas Federation of Women's Clubs urged housewives to buy no meat from Aug. 9 to Aug. 16.

Ships Elude Big Ice Pack

POINT BARROW, Alaska, Aug. 5.—(AP)—An eight-ship United States navy supply expedition finally ran the hazard of the Polar ice pack successfully today to reach this base on the top of the world.

It had been barred for two days from reaching Barrow beach by the treacherous shifting ice, which breaks up for only short periods each year.

As the first ships in a year to reach this point sailed along parallel with the shore, they were followed by excited natives on the beach and by native launches returning from walrus hunting.

Workers were ready for a speedy unloading of the ships—a 24-hour-a-day job—to make possible a quick departure.

A large part of the cargo brought by the ships is made up of supplies and equipment for the navy's oil exploration base here.

Daughter of First Canadian Finance Minister Is Dead

VICTORIA, Aug. 6.—(CP)—Mrs. Mabel Lister Magrath, daughter of Sir Alexander Tilloch Galt, one of the Fathers of Confederation and first finance minister of the Dominion, died yesterday.

She was the wife of Charles A. Magrath, noted Canadian engineer, first mayor of Lethbridge, Alta. M.P. for Medicine Hat between 1908-11, chairman of the Ontario Railway Commission and member of the Newfoundland Royal Commission in 1933, among other offices.

HIROSHIMA CITIZENS IN PLEA FOR PEACE

HIROSHIMA, Japan, Aug. 6.—(AP)—The 230,000 residents of this first atom-bomb city joined today in a plea for world peace and a prayer that atomic energy will be used "for the benefit of mankind."

At 8:15 a.m., the moment the bomb burst over Hiroshima three years ago, Mayor Shino Hamai led townspeople in renewing "solemn vows to contribute our bit to the peace of the world."

Hamai read of the bombing in these words: "The whole city was razed to the ground. There was nothing left but ruin and disaster."

Open U.S. Market To Canadian Cattle Urgent

CALGARY, Aug. 6.—(CP)—Officials of the western Section National Beef Council, last night said opening of the United States market to Canadian beef producers now is urgent.

"They said the United Kingdom beef contract has been cancelled and support buying of beef by the Canadian Meat Board has stopped, making beef producers 'fully vulnerable' to vicissitudes in the market," they said.

Kenneth Copcock, secretary-treasurer of the western section, said end of the support buying and of the United Kingdom contract had "leaked out" of eastern Canada in the last few days.

Inside Hollywood

By Bob Thomas

HOLLYWOOD.—(AP)—Frank Capra has this advice for Hollywood in its time of stress—"take chances."

The successful producer-director observed that movie bigwigs have never complained so much about poor theatre business.

"The only solution to lose business is to take chances," he declared. "If you try something new, it might turn out a turp; but it also stands a chance of making a lot of money."

Capra said the current Hollywood trend is unfortunately toward the standard pictures which are safer at the box-office. Paramount has said its long-planned "The Flying Vershireman," because it is a fantasy. He is still looking for his next production.

SIR RALPH DE GULCHI

Sir Ralph Richardson wants to do a western. However, his horse opera ambitions will have to wait until next year. He'll have to return to England after his current film because he works here on an expense account and gets his pay in England.

PARAMOUNT PICKS UP

"Things are picking up at Paramount. Next month will see both Rhonda and Crosby back at work. Rhonda starts 'Easy Does It,' which Rhonda Fleming, and Ringo 'Diamond in the Rye' with Betty Fitzgerald.

Frank Sinatra as a caveman. Of course, it's all a dream, which will take place in 'Take Me Out to the Ball Game.' The sequence will end with Frankie in a bear skin over Betty Garrett's shoulder.
